*Equipped with Vehicle Health Report Tracker Feature

SUPER STRONG PERFORMANCE TO MAXIMISE YOUR POTENTIAL.

**Cleaner, greener,
powerful & proven engine
with VGS technology**
For unbeatable
performance.

Low 6.3 m turning radius
For precise and smooth
drivability.

**Refined 5-speed
gearbox with overdrive**
For smoother and more
efficient drivability and
transmission longevity.

Large wheels (40.64 cms.)
For optimum traction and
load-bearing.

LIVES SUPER LONG, SUPER STRONG.

High tensile steel body
Provides superior strength and ruggedness for the long run.

Protective all-round electro-deposition coating
Prevents rusting and leads to a long-lasting life.

iGRIP Platform
Modern, new generation platform for higher performance.

Graphite coated pistons
Leads to longer engine life by preventing wear and tear during cold starts.

Stronger suspension*
To provide optimum load carrying capability.

Tested for over 40 LAKH km*
Making the D-Max an extremely reliable vehicle.

*Image shown is for representation purpose only. #40 LAKH km is the sum of distance covered under various test conditions in multiple vehicles.

THE CONFIDENCE OF SUPER STRONG SAFETY.

Collapsible chassis with crumple zones

Provides more safety to occupants during front and rear collisions.

Efficient braking system

26.6 cm brake boosters, ventilated disc and twin pot calipers.

Cross-car front beam and side-door intrusion beams

Provides added safety from front and side impacts.

Underbody protection kit

Steel skid plate and engine bottom guard to safeguard the key vehicle aggregates.

Collapsible steering column

Additional safety for the driver in the event of a frontal collision.

LSPV (Load Sensing Proportioning Valve)

Intelligent braking system that corresponds to the load and reacts accordingly preventing wheel skidding.

SUPER COMFORTABLE LIKE AN SUV, SUPER STRONG LIKE A TRUCK.

Fabric seat covers

When style meets comfort.

Quiet and spacious cabin

Well insulated cabin with superior space that provides best-in-class cabin comfort.

Car-like interiors

High quality and durable fitments with excellent finish.

Multiple storage spaces

More space while on the go.

AC* with blower, heater, dust and pollen filter

Maximum comfort for all occupants.

Ergonomic cabin controls

For easy access to all controls.

*AC variants

SUPER STRONG PERFORMANCE IN ALL CONDITIONS.

Multi-Information Display (MID)

Advanced MID gives driver information about vehicle performance parameters. Odo meter, Speedometer, digital speed read out, instant mileage and average mileage, ambient temperature, elapsed time, current fuel range, DPD level indicator, AdBlue level indicator. Car like electroluminescent Instrument cluster

High contrast and stylish instrument cluster

Modern instrument cluster providing optimum visibility during day and night.

Brake Override System

An intelligent system that reacts to panic braking of the vehicle, even when the accelerator is pressed with the brakes.

Rear parking sensor

Maximum ease of parking.

Co-passenger sliding seat

Better comfort and ease for the co-passenger in the front seat.

High mount stop lamp

Provides extra precaution for the vehicle approaching from the rear.

Variable speed Intermittent Wipers

Interval between wiper sweeps can be adjusted within a range of approximately 1.5 to 15 seconds. Better visibility during driving in rainy conditions. Enhanced safety
